BY SIGNING BELOW, the athlete and/or parent/guardian understand and agree with the importance of appropriate attendance and sportsmanship at all practices and Area/State competition(s). The athlete and/or parent guardian understand that seventy-five percent (75%) of practices prior to competition must be attended in order to be registered for the competition. It is also understood that if the athlete fails to attend the Area/State competition(s) that the athlete will be invoiced for the competition registration fee(s) and will be required to reimburse the Delegation prior to his/her participation in any future sports programs. Acceptable reasons for missing competition are season-ending injury, death in family, work, or medical w/physician's note. The coach must be contacted prior to missing practice/competition. Transportation is the athlete's responsibility and is not excusable for missing practice or competition.
